In order to get promoted to the lance corporal rank, one must go on an advancement board.

1h after school-not cadet night,- Monday/Tuesday.

Ends with an interview with officers.

One must demonstrate:

Inspection

Drill Demo-Foot drill.

Commands demo- clear and precise

Written Exam

Interview

Results will be stated upon the following cadet night.

As part of the board, on a cadet night, pre board, one must demonstrate leadership through leading an activity. This too will be assessed.

The board will begin with an inspection:

Cadet must be assessed on all standards listed:

- Beret- molded, all fluff removed, badge clean, correctly fitted.
- Hair-
- Face- clean, shaven, makeup not visible (matching to skin color)
- PCC Jumper- all fluff removed, ironed, clean
- Brassard- ironed, all fluff removed, clean, no loose threads
- Badges- correctly sown, invisible stitch, no pockets, no loose threads
- Hands-clean, no ink,
- Trousers- ironed, all fluff removed, tailored, no loose threads
- Boots/shoes- fully black, polished, leather well treated (creaseless), laces well tied,

Such completes the inspection; each above stated factor is marked as two marks each. If factor is perfect-mark as two, if factor is good, but could be better-mark as one, if factor is completely not shown-no mark.

Foot Drill demonstration-

"We will now commence the foot drill demonstration,"

"You will be referred to by squad and are to follow my commands to the best of your ability,"

The accessor will then take position as squad commander, and the second accessor will stand to the side to examine the cadet.

The cadet must demonstrate the following.

- From easy to ease. (Assessor will stand behind the cadet to notice correct bracing)
- From ease to attention.
- Right Dress. (Secondary accessor may act as marker)
- Eyes front.

From Halt

- Left Turn
- Right Turn
- About Turn
- Inclines
- Salute, front, left, right
- Marching, about turn on a march, mark time, salute on a march, eyes left/right.
